DAN HOLLANDS

Hollands wins Pembina PC nomination

Dan Hollands, a well-known Ardrossan farmer, won the Progressive Conservative nomination for the Pembina Riding on the first ballot, at the convention held in Westlock Monday night. His 383 votes were over 50 per cent of the total vote cast.

Peter Elzinga, a newcomer to the political arena from Sherwood Park, placed second with 207 votes, followed by George Visser, dairy farmer from the Barrhead area, with 103, and Jack Thorpe, Edmonton businessman trailed with 16 votes.

746 delegates attended with 709 voting, and the crowd was estimated at 940. Sitting MP is Mr. Jack Higgins who is retiring at the end of this term.

Calgary Power Crews battle vicious weekend snow storm

The fierce snow and wind storm which lashed St. Albert and surrounding area during the weekend raised havoc with Calgary Power Ltd. grid, causing poor interruption in some sectors for more than 22 hours.

High winds and about six inches of wet snow started in this area Friday night and continued until late Saturday, causing power lines to sag and swing together thus tripping switches. One line near the Sturgeon General Hospital sagged so much that the switches would spring open as fast as the men could go through the tedious job of snapping them back into position.

Virtually every district in the storm's path suffered outages which varied in duration from a few minutes to the more serious ones lasting up to 22 hours. In the Morinville district, Calgary Power Ltd. men were still on the job Sunday, attending to isolated outages and replacing damaged equipment.

Ed Bertram, assistant district manager in St. Albert said their problems were further complicated by motorists stranded on the highways and blocking service trucks from getting quickly to the trouble areas. In many instances, crews endeavored to assist stranded motorists whenever possible on their way to an emergency call. The wet

slushy snow made highway travel very hazardous, this was made abundantly clear when service crews discovered dozens of vehicles strewn along 50 Street in Edmonton and on Highway 28 north. Most had skidded into the ditch, others had spun out-of-control across the highway while others were simply made temporarily immobile by the congealed snow.

District Manager Elmer Belsiegel said an estimated 225 Calgary Power Ltd. crewmen were called into service during the storm. Besides CPL staff, there were power line contractors who assessed the full impact of the emergency situation and volunteered their services. "This helped us immensely," Mr. Belsiegel said "however, in just about every district there was no way we could gain ground on the troubles until the weather cleared." He explained that as soon as the breakers were reset, the

winds would cause the lines to cross and an outage would occur again.

The area hardest hit by the storm was Red Deer and vicinity. Power supply was interrupted for 12 hours in that city. Two double-pole structures on which rests the 138,000 volt line feeding Red Deer toppled under the tremendous strain of the snow, ice and winds. Holist cranes had to be used to replace the line. North of that city, 14 other double-pole structures fell and power service had to be rerouted to rural areas over other lines. It is estimated that it will be a few days before the poles can be replaced.

Estimated costs of damage as a result of the storm have been placed close to \$100,000 by Calgary power. Mr. Belsiegel said the company appreciates the patience and understanding shown by CPL customers during those trying hours.

Daylight Saving Time

Citizens of Alberta and especially St. Albert and surrounding districts are reminded that this province joins the rest of Canada in going on Daylight Saving Time. So, to be in step with the rest of the country... especially with your fellow workers... crank your

watch, clock or sun dial AHEAD one hour Saturday night April 29 because the official time to advance your timepiece is April 30 at 2 a.m.

So... if you don't want to miss your bus and be late for work, advance your timepiece one hour during the weekend.

Cyclists all set to go on Lion's Bike-a-Thon race

Official cyclists are coming to the fore this week in preparation for Saturday's Lion's Bike-a-thon. Official wheeler for the Breakfast Lions is Jim Maguire who anticipates pretty stiff competition this year after looking over the roster of known entrants.

As of Tuesday, following the Lions Breakfast word was out that among the starters Saturday morning will be Mayor Ray Gibbon who is expected to be joined by other members of the Town Council. Every school in St. Albert has an official bike-a-thon entry so have all the local banks and the credit union.

Besides official representatives from each of the nine local schools, other school staff members will ride in a 'side contest' to see which school can bring in the most support for the Breakfast Lions. In addition to this, the student bod-

Shown dismantling a burned 250 KVA rural transformer in the Sturgeon Experimental Rural Electrification Association north of Nampa are Calgary Power staff Ed Bertram (left) and Larry Wolbeck (right) while at bottom of photo is Bob Lougheed, checking out the new equipment. The transformer was replaced at the height of the storm by the St. Albert staff.

Project co-chairman of the Lion's Bike-a-Thon Frank Carnahan is shown standing between two stalwarts who will be participating in next Saturday's 25-mile Bike-a-thon. At left is Bob Prather representing the teaching staff of Sir George Simpson Junior High while at right is John Curilla representing the Robert Rundle Elementary teaching staff.

vise clubs. All names have not been turned in yet, however, we understand that all clubs have a representative riding for high stakes.

The bike-a-thon route this year will be the same as last years. Starting point is Lion's Park, circling Gravelin and Sturgeon areas three times gives competitors a 25-mile route. Three

Pedal-Pushers want 200 more students

Registration for St. Albert Pedal-Pushers will be accepted Saturday April 29 between 10 and noon at the Clubhouse next to the swimming pool. The fee for nine hours of bicycle-safety instruction is only 55 cents and there will be an instruction area in operation near you.

Mrs. K. Moore of 599-8143 can be contacted for further information. She told this newspaper that the response from interested parents had been very encour-

aging but student registrations were considerably down in comparison with last year. Mrs. Moore wishes to remind parents living in the Mission area that the St. Albert High School grounds have been reserved as one of the many training sites in town.

Instructor's Clinic will be held at Robert Rundle School Sunday, April 30 at 7:30 p.m.

The moto this year is, "Your Child's Life May Depend on This Training... Register Now."

It was a memorable day for the Sturgeon General Hospital when Mrs. Doreen Robinson, president of the Women's Institute handed a \$400 cheque as final payment on the \$1,200 short-wave diathermy unit shown above. The WI had initially donated \$800 to the hospital for this urgently-required instrument used to treat ailments such as bursitis. Shown receiving the cheque is Mr. C. F. Keyes, administrator of the Sturgeon General Hospital. Standing behind the unit is nurse Mrs. Carol Wilcox, physical and occupational therapist.

Another happy prize winner during Macleod's recent opening days' celebration was Mrs. Esther Kubermus of 31 Grosvenor Blvd. who is now the proud owner of an automatic stereo record player. Standing left of Mrs. Kubermus is Macleod's appliance salesman Nick Muzichuk while at right is store manager Jack Pickett.

\$2 Million Modernizing Plan Unveiled By AGT For St. Albert

Alberta Government Telephones has its eye on the future and part of those plans include a \$2 million project which will bring larger premises for St. Albert, ultra-modern telephone equipment designed to handle future expansion of this town.

Scheduled for August of this year is a modern 60 ft. by 60 ft. building addition to the present facilities and 3,200 lines of electronic switching equipment scheduled to be put into service about one year later.

The last cry in modern equipment coming to St. Albert was first unveiled in Canada at Expo 67. This ultra-modern electronic switching equipment has made its first appearance in Alberta this year in the Oakridge sub-division of Calgary, next will be St. Albert.

This electronic switching equipment can be readily adapted to the services of the future as they become available. Some of these services include call-waiting, call-forwarding, speed-calling and conference-dialing. Officials of AGT explain the above terms in the following order: Call-waiting comes into use if a second call comes in while the phone is in use. Call-forwarding is used when a subscriber wants his phone to ring another number while he is away. Speed-calling is where less than seven digits need to be dialed and

conference-dialing comes in handy when a third party may be added to a call in progress.

In the interim, AGT will be installing additional conventional equipment to take care of immediate growth requirements and to provide unit trunking. Unit trunking will eliminate the need for calls to the city to be re-routed through more than one Edmonton exchange.

From the city limits to St. Albert, AGT will also be constructing a conduit which initially, will carry two 1200-pair cables, designed to handle the growth of this town for the coming few years. This new conduit will be making provisions for an additional 2,400 new telephone sets.

Included in the building addition is the construction of a gas turbine, installed for standby power for the telecommunications equipment in case of a power failure. A similar gas turbine unit is presently in use in Edmonton's new Telephone Exchange Building.

For years now, St. Albert telephone numbers started with the 599 prefix -- but that too will undergo a change. The new installations will involve new numbers starting on March 4, 1973 at which time the first three digits will be 459. New customers connected to the new electronic equipment after August 19, 1973 will have numbers commencing with another prefix,

this time it will be 458. Officials of AGT explained that the number changes are part of a giant cross-Canada grid pattern to which, the first three digits designate specific areas. And approximately

Scout projects

As an extra-curricular project, the community minded 3rd St. Albert scouts have been busy over the past two months building bird houses, with the assistance of their fathers. They came up with 37 which made a very attractive display last Wednesday evening at Mackenzie school, when deputy mayor Bob Hudson was on hand to accept them on behalf of the town.

Scouts Colin Tooth and Brian Dunkin made the presentation on behalf of their troop. It was the scouts plan that the bird houses be set in public areas where they would attract birds and give pleasure to townspeople. Youville Home was one area they had in mind.

ximately 10,000 numbers carry the same prefix.

Once the full \$2 million project is completed in St. Albert it is expected that local AGT staff will be increased to man the larger facilities.

BIKE-A-THON

Continued From Page 1

check points will be established at Ball and Grange; Evangelical Church and at the Lion's Park. Traffic control teams will also be on duty at the corner of Perron Street and Winston Churchill also at Ball and Grange. Route maps are available at Emery's Pipe Shop and at the Lion's Park registration booth. Bike-a-thon co-chairmen Frank Carnahan and Bob O'Donnell have things well in hand.

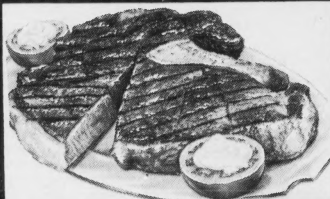

In addition to names of bike-a-thon participants already announced in recent issues of The Gazette plus the above mentioned representatives, we would like to add the following:

St. Albert High School, Dan Chugg and Brian Kup-

ich; Father Jan, Theresa Clark; Albert Lacombe, (t.b.a.) Vital Grandin (t.b.a.) Robert Rundle, John Curilla; Paul Kane, Bob Hayward; Simpson Junior High, Bob Prather; Sir Alexander Mackenzie, Barry Findlater and Leo Nickerson, Doug Parkinson.

Representatives from service clubs include Fred Falk, Kinsmen; Stan Kolomyjec, Hi-Winders; Harry Gaffney, Chamber of Commerce and Gerry Leblanc of the Knights of Columbus.

Overseeing potential trouble spots and cruising the route will be Lion President John Kaminski. Refreshments will be served at the Lion's Park booth.

Miss Phyllis Godfrey from the Imperial Society of Teachers of Dancing, London, England, visited the St. Albert School of Dancing last week to examine 124 candidates in ballet, modern dance and tap. The results were 26 students awarded honours, 39 highly commended, 35 commended, 15 pass plus and 7 pass. The students seen in the picture with Miss Godfrey are, left to right: Jocelyn Kowalski, Jane Barnes, Patty Hughes and Wendy Jenkins, kneeling.

Fish & Game name range chairman

Len Menard has been appointed Range Chairman by the St. Albert Fish and Game Association, and will be **AROUND TOWN**

Mr. Bill Penrose suffered a heart attack last Thursday night while in Calgary on a business trip. He is in the intensive care unit at the Misericordia Hospital in Edmonton and reported to be making good progress. It is expected he will be able to be moved from intensive care in a few days.

In memory of Dale Weisgerber

The principal of Albert Lacombe School recently received a letter from Mr. Stan R. Bray, president of the Edmonton Chapter of the Canadian Cystic Fibrosis Foundation thanking students and staff for the \$155 donation to the foundation. The donation was in honour of Dale Weisgerber, a Grade 5 pupil at Albert Lacombe, who passed away of Cystic Fibrosis.

The money will be used in funds for research to help find the causes and a cure for Cystic Fibrosis. We are hoping that we are getting closer to giving another child the "Breath of Life."

Strawberry Tea well attended

The third annual Strawberry Tea held Sunday at the Community Hall by the Ladies Auxiliary to the Sturgeon General Hospital, was again well attended by people throughout the hospital district.

Guests were greeted by president Shirley Kilty, and served by members of the auxiliary in their pink smocks. Pouring tea were Betty Drury, director of nursing, Katherine Keyes, wife of hospital administrator, Clifford Keyes, Eileen Gibbon, wife of Mayor Gibbon of St. Albert, Rhonda Stapleton, wife of Mayor Stapleton of Morinville, Mary Campbell, past president of the auxiliary, and Fern Van de Walle, wife of Reeve Walter Van de Walle of the MD of Sturgeon.

Shirley Jamison and Kathy Fenlak, both of St. Albert won the door prizes of \$25 and a floral arrangement, respectively.

The bake table was very popular and added to the financial success of the tea. Eileen Gillard was in charge of ticket sales on a beautiful hand-hooked rug which

the auxiliary will raffle at the Blossom Ball, May 27. Each table was centered by a beautiful pink and white tulip in a bud vase, and the hall looked most attractive. The strawberry shortcake was terrific, due in good measure to the delicious

cream supplied by some of the farm women. Marian Reinbold convened the tea this year, and it is expected that proceeds will exceed last year's, making it a very worthwhile afternoon for the energetic auxiliary women.

Speaker recommends teacher aid programs for the learning disabled

Mrs. Beth Blowers, a sessional instructor in Special Education at the University of Alberta spoke to the recent meeting of the Sturgeon-St. Albert Association for Children with Learning Disabilities.

"The first thing a parent who suspects that a child has a learning disability should do," said Mrs. Blowers, "is arrange a thorough medical examination of the child." It is extremely important than any

purely medical problem be eliminated before psychological testing is undertaken, the guest speaker emphasized.

The importance of screening and diagnosis at an early age, was also stressed by Mrs. Blowers. Having obtained the diagnosis, the necessary follow-up is a carefully controlled program of remediation.

Mrs. Blowers felt that a voluntary organization such as the Sturgeon-St. Albert Association could be of tre-

mendous help by providing teacher-aids. The volunteer aids would take over routine duties, thus freeing teachers for one-to-one instruction with the learning disabled child. She told the meeting that in every case she knew of, a volunteer teachers aid program has worked well.

A list of technical articles that would be useful to teachers involved with these children was left by Mrs. Blowers. It is avail-

able on request from Mrs. R. Wilson (599-7432), Mrs. R. Watt (599-7538) or Mrs. D. Dragich (599-6839).

General meetings of the association are held on the third Monday of every month, and an effort is made to arrange them in different areas of the town for the convenience of people concerned. Interested people in St. Albert and the Sturgeon district are asked to watch for the location of the May 15th meeting in the Gazette.

Angela Heyburn to be married in Australia

Angela Heyburn, elder daughter of Mr. and Mrs. Heyburn of 105 Grosvenor

Boulevard, is being married on Saturday to Sub-Lieutenant David Anderson, a helicopter pilot with the Royal Australian Navy.

The service will be held at 2:15 at Holy Trinity Anglican Church at the corner of Dandenong and Warrigal roads in Oakleigh, Melbourne. A reception is to follow at 13 Warrigal Road, Oakleigh. The couple will be making their home in Nowra, New South Wales.

Angela and David were both born in Exeter, England and the two families lived on the same street when the children were small. Later the Andersons moved to Australia and the Heyburns to Canada. The young people met again when the Heyburns visited Australia during 1970-71 and renewed their longtime friendship with the Andersons. Angela has been working as a key punch operator with the firm of Coates and Paton in Melbourne, and plans to keep on working when she moves to Nowra.

The Heyburns are unable to attend the wedding, but looking forward to a visit from the newlyweds for a month over the Christmas holiday season.

UCW sale Big day Saturday

The United Church Women will be holding a spring tea, bake sale and rummage sale in the St. Albert Community Hall on Saturday, April 29 from 10 a.m. to 3 p.m.

There will be a good selection of clothing as well as toys and household items offered on the main floor. In the lower hall, a family luncheon will be served consisting of open-face sandwiches, pickles, squares, tea, coffee and drinks for the children costing only 50 cents.

A wide variety of home-baked items will be for sale also in the lower hall.

Picturesque and historic places fascinate visitors to Spain

By Sadie Ross

March 18 we left Madrid by bus for Granada. We were a small group only 10 so a "mini-bus" was used and the way they take curves is an experience in itself.

The first part of the trip was through a very fertile valley - miles and miles of olive trees, vineyards and grain fields. Here we passed through "Don Quixote Country," a few windmills are left as tourist attractions. We stopped at a little inn which has a monument to Don Quixote in the courtyard - the inn has a courtyard with the wine cellar to one side - huge casks placed along the walls, stone floor all very clean.

After about 80-100 miles out the countryside becomes very mountainous in fact before we reached Granada we had gone through three mountain passes. Even where it is very rugged there are little settlements and olive trees growing right out of the rocks. As we neared Granada we had a beautiful view of the snow-capped Sierra Nevada.

Granada is a very picturesque spot with mountains all around with of course the Alhambra as the main attraction. From our hotel we had a lovely view at night when the Alhambra was lighted and the outline against the sky was delightful.

There is a "Gypsy Section" of Granada where the people live in caves in the mountainside - we went there to watch the "Gypsy Dancers." The walls of the caves are whitewashed and all sorts of copper kettles and ornaments hang from the ceiling. The room we were in was about 18' x 30', there were approximately 15 guests and 10 - 12 dancers. They do an attempt at Flamenco dancing - some of their costumes are quite good, some are very tattered. Age is no barrier to dancing some of the dancers were quite old and carried a good number of extra pounds, but this did not seem to lessen their enthusiasm. The streets in this area are narrow and dark - all sort of eerie

looking.

The Alhambra and Generalife are of course the main attractions of Granada. The Generalife or Summer Home is on a hill even higher than the Alhambra, the grounds are lovely. I think the Cypress Walk was special - an avenue of trees with many flowers growing and all sort of damp and woody. There is an open air theatre which is still used for the yearly musical festival.

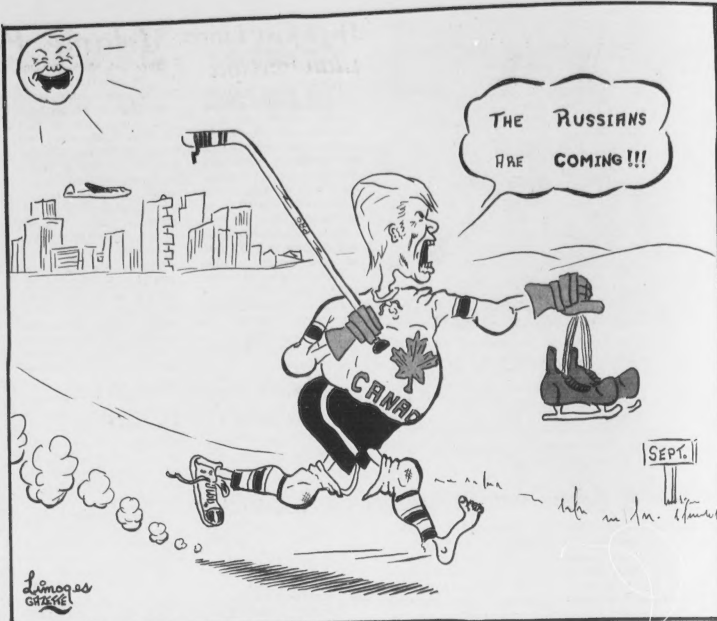

These original buildings date back to the 14th and 15th centuries - with of course additions and changes of different periods of history.

The Alhambra itself is most beautiful, the carvings with the colors so unfaded are works of art very difficult to describe. The palace is divided into three sections: Courts of Justice, Parliament buildings and the living quarters - each has something distinctive and the views from the archway shaped windows is something one couldn't forget. There are also many fountains and pools with beautiful pillars and columns surrounding them. The courtyards have designs laid out on the walls, all in colored stones. I'm afraid its all something so beautiful my meagre vocabulary is exhausted - perhaps I should suggest a trip to Spain to see it all.

The cathedral in Granada is very large - beautiful pillars and stained glass windows. Ferdinand and Isabella are buried there - their tombs are works of art in Italian marble.

We also visited a museum which was a monastery up until about the 16th century. The most outstanding item there was a painting of a large cross which was painted flat on the wall, but done in such a way, that, as you stand back, it appears to have dimensions.

Monday we left Granada and came by bus 60 miles to Torremolinos - again the first part was through a very fertile valley of orchards and vineyards. Then we went up through a very high mountain-pass known as Lions

Gate and down along the Mediterranean Coast to Malaga - Torremolinos is only three or four miles farther along the coast - it's a real tourist town, but our hotel is away from the centre of the town along the beach, from our balcony we have a view of the sea - which affords you different pictures according to the time of day and the weather. So far the weather has not been hot, but with the exception of a

couple of rainy days we've been very comfortable.

Tuesday we had a day trip to Ronda - its only 30 miles out but such a winding road and almost a steady climb. Then at the top is nestled this small city which dates back to Roman times. Its a city now of about 35,000 and depends largely on the tourist trade. The main attraction there is an old cathedral started by the Moors with their

style of architecture and intricate carvings in a type of gilded wood. At the other end of the building is an altar of pure silver put in about 14th century by Spanish royalty and this part of the church is still in use.

We ate lunch at a lovely hotel high on a hill overlooking the city - the hotels are all elaborate with mirrors, paintings and spacious lounges (not liquor lounges, although they have those too,

but they are less elegant.)

We drove back down the winding road to Torremolinos where we stayed (with a day of leisure) until March 23 when we left for Morocco.

Working "hot" on live lines attempting to reclose the breaker at the Sturgeon Experimental REA north of Namsau during the storm are Calgary Power staff from St. Albert, John Turin (left) and Ed Bertram (right). When it refused to close the men discovered the transformer burned and had to be replaced. The men returned from the area at 6 a.m. to get the equipment and service was restored by 10:15 a.m.

Baha'is Spiritual Assembly Elect First St. Albert Group

On April 21st, the first Local Spiritual Assembly of the Baha'is of St. Albert was elected. This event took place at 19 St. Vital Ave. where the Baha'is of St. Albert elected nine from amongst their members.

These Assemblies are elected yearly in every locality in Canada and around the world, where there are nine or more Baha'is 21 years of age or over. A unique feature of Baha'is elections is that they are conducted without electioneering or nominations. Those elected to the Local Spiritual Assembly were: Lin Backer, Vicki Boucher, Glen Cameron, Ruth Eyford, Linda McMahon, Milton McMahon, Trudy Rowe, Larry Smith, Lynn Smith.

This coming weekend a national Baha'i event will be occurring in Edmonton at the Chateau Lacombe, where Baha'is from all across Canada will gather to witness the election of the 24th National Spiritual Assembly of the Baha'is of Canada. One of the delegates to attend this convention is from St. Albert, Mrs. Ruth Eyford.

Two activities in St. Albert will follow this convention to give interested persons an opportunity to enquire into the Baha'is Faith. The first one will occur on Sunday at 8 p.m. at 76 Sunset Blvd. (599-4863) and the second on Monday at 8 p.m. at 19 St. Vital Ave. (599-7120).

The EASY CHAIR by John Szott

Boys will be boys -- and so will middle-aged men at cocktail parties.

People who fly into a rage always make a bad landing.

The worst kind of reducing pill is the one who keeps telling you how he did it.

Mother to another on phone: "I understand your son gave mine a rabbit last week. Please come over and take them all back."

When a child pays attention to his parents, they're usually whispering.

Bedfast Lions Melanie Perrose becomes bride plan auction

The St. Albert Breakfast Lions Club will hold their second annual auction on Saturday, May 27. The St. Albert Arena will ring to the sounds of auctioneers Ferma Iseke and Lou Leclair as they knock down slightly-used articles to avid customers.

Further announcements will be made in the Gazette as plans are firmed up, however anyone who has second-hand articles in saleable condition can phone the following numbers to arrange for pick ups.

Jim Maguire, 599-3430; John Huberdeau, 599-5217; Glen Cody, 599-7833; Doug Wilson, 599-5816; Chester Wright, 599-8864; Gordon Sulder, 599-5169; and at Father Jan School 599-3456; Sweetheart Jewelry, 599-7550.

Pickups will be arranged for Wednesday evenings and Saturday mornings beginning now and running through to the day of the auction.

Around Town

Residents able to assist with the blitz campaign in support of the Winnifred Stewart School for Retarded Children can contact the co-ordinators, Mr. and Mrs. Art Degner at 599-6396. The school is in great need of a new school building and another residence, and every dollar collected goes directly to the school. Blitz day is May 3rd.

Rev. Len Musto conducted the marriage service for Melanie Perrose, younger daughter of Mr. and Mrs. Bill Perrose of 9 Sheridan Drive and Carl Cooke of Calgary, Alberta, in St. Albert United Church on the 15th of April.

Organist Lillian Upright played the themes from Love Story and Romeo and Juliet during the signing of the registrar.

Melanie was attended by Judy Schmitt as maid of honour, her sister Foley, the groom's sister Debbie and Liz Briggs, Bill Chiles was best man and other attendants of the groom were Rod Findlater, Scott Olsen and John Bach.

The bride was radiant in a floor-length gown of white nylon sheer over tulle, with deep hemline flounce edged in white daisies. The bodice featuring mandarin style neckline was fashioned in daisy lace, which also trimmed the long, full sleeves, and a matching lace headband held her full length veil of nylon sheer dotted with applied daisies. The gown flowed into a slight train under the veil.

The bridal attendants were in long empire-styled gowns featuring floral skirts with bodices of yellow nylon sheer and matching velvet ribbons accenting the empire waistlines. Large yellow picture hats completed their ensembles.

Doug Schill of Calgary was a very capable master of ceremonies for the reception which followed at the

MR. & MRS. CARL COOKE

Garrison Officers' Club at Prince of Wales Armouries. Casey Anderson proposed the toast to the bride, and Bill Chiles proposed a toast to the bride and groom.

Special guests were Mrs. Ward of Winnipeg, grandmother of the bride and Mrs. Manning of Vulcan, grandmother of the groom. The over 100 guests included many from out of town.

The couple have returned

from a honeymoon trip to the West Coast and are making their home in Calgary, where Carl is employed with Horne and Pittfield.

If at first you do succeed, try to hide your astonishment.

Remember that you are your own doctor when it comes to curing cold feet.

Town of St. Albert

Notice of Intention

Take notice that the Town of St. Albert intends to construct the following local improvements in the town and intends to assess the abutting property owners for the cost of the local improvements.

| (1) LANE: Between St. Anne Street and St. Michael Street, from Perron Street to Highway No. 2 | 18' |
| (2) LANE: Between Perron Street and Edmonton Street, from St. Anne Street to St. Michael Street | 14' |
| (3) LANE: Between Perron Street and Lot 54, Block 5, Plan G, from St. Anne Street running north | 18' |

THE ESTIMATED COST OF THE WORK FOR ITEMS:

- (1) Is Fifteen thousand three hundred and seventy five (\$15,375.00) Dollars.
- (2) Is Five thousand (\$5,000.00) Dollars.
- (3) Is Three thousand six hundred and twenty five (\$3,625.00) Dollars.

The estimated assessable rate per foot frontage to be paid by abutting property owners is:

	COST	Assessed Frontage
FOR ITEM (1)	\$	1026'
FOR ITEM (2)	\$	410'
FOR ITEM (3)	\$2.30	178'

The several amounts to be assessed against the abutting owners will bear interest at a rate not exceeding nine and one half (9 1/2%) percent per annum and shall be spread over a period of twenty (20) years being the estimated life of the local improvements and will be repayable in twenty (20) equal consecutive annual installments.

Abutting property owners who desire to petition against undertaking the above works, must do so in writing addressed to the undersigned, on or before the 17th day of May 1972.

D. B. O'Connell,
Secretary-Treasurer.

Town of St. Albert

Notice of Intention

Notice is hereby given that the Council of the Town of St. Albert deem it advisable to close and sell that portion of Edmonton Road as shown on registered plan 1941 NY of riverlot 51, St. Albert Settlement, which lies north and east of the extension of the south westerly lot line of Lot 38 U in Block 12 reg'd plan 1941 NY of riverlot 51, St. Albert Settlement.

Section 175 of the Municipal Government Act, Chapter 246 R.S.A. 1970 provides that council, subject to the approval of the Minister of Highways, may pass a by-law for this purpose.

By-Law #19/72 has been prepared and will be presented to council on May 15, 1972 for first reading and will then be submitted to the Minister of Highways for his approval prior to the final passing thereof.

This notice shall be published each week for two consecutive weeks, the last of which will be on April 26, 1972.

Before the passing of this by-law, a person who claims that land in which he is interested as owner, occupier or otherwise will be affected prejudicially by the by-law and who petitions to be heard, shall be afforded the opportunity to be heard either by himself or by his agent in accordance with the said act.

Any person owning or otherwise interested in land that sustains damage through the closing of the aforementioned lane shall be compensated for such damages in accordance with the said act.

Written petitions to the proposed by-law will be received by the Chief Administrator at his office until May 10, 1972.

D. B. O'Connell,
Chief Administrator.

Around Town

Dick and Barb Wheatley have a new son, Matthew Thompson, born early Sunday morning at the University Hospital (where Barbara trained). He weighed in at 7 lbs. 9 oz. and Dick reports that both are fine, and hopefully will be home with him and Robbie and Laurel this weekend. Meanwhile Helen Perrott is holding down the fort at 31 Bishop Street.

Jens Jorgensen reports that clearing out of dead trees and the underbrush has been completed in the established area at Lions Park, but work in the new area will have to wait until it dries up. Painting of the buildings and equipment is well underway and by the weekend the park will be ready for picnics and visitors.

Citizens are reminded that the deadline to buy Shrine-Lions Sweepstakes tickets and have a chance at winning the big \$100,000 prize ought to see any member of the Lions before May 10th.

The local fire department's Appreciation Night held last Saturday at the Purple Dede was a great success, not only as a social event but because it was the time for awards to be presented. After a social hour and banquet, Austin Bridges, fire commissioner for Alberta presented St. Albert's Mayor Ray Gibbon with a certificate of merit for the local fire department's excellent fire prevention program. The certificate of merit reads 'First in Alberta' and 'Honorable Mention' for the whole of Canada in the town classification of 10,000 to 20,000. The award is made by the National Fire Protection Association and this is the 12th time the St. Albert Fire Department receives an award. Mayor Gibbon then presented the award to Fire Chief Tetarenko who accepted it on behalf of himself and his staff. The remainder of the evening was spent dancing and everyone reports having had a glorious time. Seen enjoying himself at the gala was Fred Wood, Fire Inspector in the Provincial Commissioner's Department. Fred has his home in St. Albert and attends local functions when he can.

Upwards of eight items of native crafts have been assembled for the Mother's Day sale being held May 12 and 13 in the shopping mall at Grandin Shoppers Park. They include woodcarvings, candle holders fashioned of

juniper root, bead work, bone carvings and leather crafts. The sale will be on from 9:30 in the morning till nine in the evening both days, so there will be ample opportunity to choose a different type of gift for mother this year, at prices ranging from 75¢ up. The sale is sponsored by the adult group helping to raise funds for the students of Simpson School who are planning to attend a course at Laval University this summer.

The local Legionnaires are reporting good success so far in their drive for funds to put up new premises. Denny Taylor, first vice-president told this newspaper yesterday that the membership had already reached the 200 mark and membership chairman Art Robinson was still going strong. Al Thomson who is in charge of the \$1,000 Andy Capp Dart Tournament has a wonderful evening planned for May 13. Besides fun, games and dancing, citizens taking part in the gala will also have a chance to participate in the Teddy Bear raffle, the draw for which will be held that night. Tickets are available from any Legion member for the May 13 Dart Tourney and Raffle Draw to be held at the Community Hall. Citizens are reminded that the Legion Hall will be closed for that evening only.

While marking its official opening, Macleods Store in St. Albert managed to give away approximately \$1,500 worth of prizes during the three-day celebration. First of the major prizes was a portable television set won by Mrs. Rowland Martel of 18 Mount Royal Drive. An automatic stereo record player was won by Mrs. Esther Kubberus of 81 Grosvenor Blvd., while a long-life vacuum cleaner went to R. Belcourt of 15 Mission Avenue. Many other valuable but lesser prizes were given away including a big turkey and miscellaneous merchandise.

Judy Smitt of Grandin Road is working in City Hall as a service representative for Edmonton Utility Services, and after almost a month reports she is well pleased with her new job.

Shirley MacKenzie is in her third week with Manufacturer's Life office in the Centennial Building, working as a dictaphone typist, and has already earned her first raise. Shirley did very well in the business course taken at Paul Kane.

Debbie Page, Gilmore Crescent, is enrolled in the school of Journalism at Grant MacEwan College, and looking forward to a career in this field. Debbie is a graduate of Paul Kane High.

Liz Briggs is finding her job with the Canadian Wildlife, Department of Environment in the Centennial Building, most interesting and much to her liking.

Theresa Michelt and Gil-

bert St. Jean are busy making plans for their May wedding.

Mr. Ed Howorko of 111 Grosvenor Boulevard has been appointed Vancouver

Branch Manager by Moyer-Vico School Supplies Ltd., and will take over his new duties there on June 1st. His wife Gerry and family David and Debbie will remain in St. Albert until the end of the school term.

Champions of the junior high school curlers are the foursome shown above from Sir Alexander Mackenzie Junior High who ended the season by defeating the junior high rink from Sir George Simpson. Winners of the trophy left to right are: Don McKenzie, skip; Bill Burton, third; Tenny Berg, 2nd and Kathy Childs, lead. Each of the four winners were presented with personal replicas made available jointly by both students unions of Sir George Simpson Junior High and Sir Alexander Mackenzie Junior High.

Community League plays host as hockey team sponsors

The St. Albert and District Community League played host to some 165 parents, families and friends at a wind-up hockey supper in honor of the boys who played on the two community league sponsored teams, Mite "Hawks" and Bantam "Falcons."

Lawrence Wakefield as master of ceremonies introduced Mr. Fred Calkins as guest of honor and paid tribute to Fred for the tremendous job he has done to make hockey such a success in St. Albert.

Mr. Calkins spoke of the steady expansion of the minor hockey program, noting that there were about 700 boys involved this year, and the Kinsmen are expecting an enrollment around the 900 mark for next winter. The program takes considerable organization and requires the support of many parents and coaches to make it successful.

After an enjoyable chicken supper entertainment was provided by two members of the Armstrong dancing school in St. Albert.

Highlight of the program was when Henry Terrault, as president of the league, presented all the players with a souvenir trophy and a team picture. The trophies were hockey pucks with the figure of a player set in.

Mr. Terrault on behalf of everyone present thanked the coaches, Lawrence and Mel Wakefield of the Hawks and Larry Mitchell and Gord Grant of the Falcons for their time and help given

to these two teams as coaches.

Vic Post who supplied the team pictures presented, was a special guest at the supper.

Retiring president of the St. Albert Curling Club, Waller Irwin, was awarded a life membership in the club "in recognition of his outstanding service during his years as executive member and president. Mr. Irwin's administrative ability and his active involvement have contributed significantly to the growth and development of the club and its facilities." Presentation of the framed scroll bearing this inscription was made by Mayor Ray Gibbon at the annual wind-up banquet and dance held last week.

Coaches Gordie Grant, left, and Larry Mitchell with Stephen Lister, high scorer for the Bantam "Falcons" this season. Steve holds the novel puck-with-player trophy awarded by the St. Albert Community League Sunday.

Record numbers register for tennis

The annual registration for the tennis lessons sponsored and organized by the St. Albert Tennis Club, in co-operation with the department of parks and recreation was held last Saturday morning. In spite of the snow, there was a record number of registrations and extra classes had to be scheduled. Apologies are extended to those who were unable to be accommodated.

Details and times of the classes are given at the end of this column. Participants are requested to phone Mrs. Wood at 599-8696 in the event of inclement weather. Classes are usually postponed only because of rain or wet courts.

Because of the use by the schools of the courts during the day under the Joint Use Agreement and the terrific demand for the tennis instruction offered by the club which has the use of the courts on Monday and Wednesday evenings and Sunday afternoons, for a few weeks the hours when the courts are "free" are very irregular. The times when the club is using the courts and the instructional classes are being held are posted on the notice board. But anyone having any doubt about their availability should phone the department of recreation at 599-6601.

Anyone using the courts is reminded that only tennis or gym shoes must be worn.

TENNIS LESSONS:

Beginning during the week of May 1st, classes run for six weeks:

Monday	4:40 - 5:30 p.m.	11 and Under
Tuesday	9:30 - 10:30 a.m.	Ladies
	4:30 - 5:30 p.m.	12 - 14 yrs.
	6:30 - 7:30 p.m.	Seniors
	7:30 - 8:30 p.m.	Seniors
Wednesday	4:30 - 5:30 p.m.	15 and Over
Thursday	4:30 - 5:30 p.m.	12 - 14 yrs.
Friday	4:30 - 5:30 p.m.	8 - 14 yrs.
	5:30 - 6:30 p.m.	8 - 14 yrs.
Saturday	9:00 - 10:00 a.m.	Intermediate Jun.
	10:00 - 11:00 a.m.	Intermediate Adult
	11:00 - 12:00 noon	Advanced

In the final encounter of the season, the Mite 'A' Totems won the championship by defeating the Flyers 2 - 1 in a two-game total point series. Left to right are: Dale Solberg, Darcy DesChamps, Thomas Arisman, Neil Kothoff, Gary Kunz, Mark Neldig, Chris Stewart, Michel Puech, Tim Shipanoff, Barry Thachuk and Bruce Roy. Front: Guy Teitler, Clifford Greening, David Lacroix. Missing are: Stephen Speake and Robert Kelly. The coaches and team wish to thank everyone who helped make the season such a successful one. Special thanks go to Lorne Day and Associates, Reggie's Hardware and The Sportshop who provided the team jackets.

NCA Baseball League plans interlocking schedule

According to Paul Riopel, secretary of the NCA Baseball League, the most important item on the agenda for this year's annual meeting is the motion requesting the implementation of an interlocking schedule. The NCA Baseball League has, since its conception in 1968, always consisted of two separate divisions. Last season, Westlock, Barrhead, Linnar, Mayerthorpe and Fawcett comprised the Northern Division; while Morinville, Alexander, Bon Accord, Legal, Horse Hills, Namao, Vimy and Redwater comprised the southern division.

All league play with the exception of the league championship, was restricted to each respective division.

Mr. Riopel feels that the league has been improving gradually over the past four years and that it will soon

command the respect of other metro-leagues in the area. "An interlocking schedule is one answer to a stronger league," insists Mr. Riopel.

The annual meeting of the NCA Baseball League will be held at 8 p.m. on May 3, at the Morinville Recreation Centre.

All teams wishing to register must be represented at this meeting.

Good Year For Land Transfer

If you are a father who is trying to "phase out" of farming or a son who is trying to "phase into" farming, this could be the time to do it, especially if the transfer involves land.

C. A. Nelson, the Alberta department of agriculture's regional farm economist at Vermilion, says there are

SUPERSTAR

The moving portrayal of the Christ as a super star presented by singers and musicians of St. Albert Pitch and Spice was a rewarding and memorable experience in which the near capacity audience seemed to be somehow drawn into the performance.

Jesus Christ Superstar was an exciting but difficult challenge for the very young singers and musicians and their director, Father Ubald Duchesneau. It was perhaps because of their great desire to see what they could do with the famous score, that they were able to come up with the remarkable performance which earned for them a prolonged standing ovation from the estimated 500 people who attended the opening night at St. Albert Roman Catholic Church on Friday.

And despite this, there were probably a good number of the audience in the older age group who had difficulty following the entire score, particularly if it was new to them. However the dedication of the young people to their music and acting was clear to everyone present.

The Pitch and Spice are fortunate in having a number of very fine soloists, a requirement for Superstar and the well-loved favorites in the score were ably handled indeed. But the credit must go to the 80 performers as a whole.

The Alleluia Chorus which concluded the production was simply outstanding and will be long remembered by all who heard it.

two reasons that this could be a good year for transferring farms. First, the federal government did away with gift taxes when they passed the new tax legislation in January, and there are no gift or estate taxes in Alberta this year. Last year if a farmer had transferred his farm to his son, he would have had to pay a gift tax.

The second reason that this could be a good year for transferring property is that very little capital gain will have had time to accrue since valuation day. The chances are that the farm will increase in value over the next few years, in which case the owner would have to pay tax on half the increased value or capital gain.

In view of the above, 1972 offers a unique opportunity for many families to transfer their assets to children that are 19 years or older without having to use part of the value of the assets to pay taxes on one kind or another.

Sean Kehoe turns in great performance in Klondike relays

Sean Kehoe of 32 Salisbury Avenue holds two provincial records in sprinting, plus two more as a member of the Olympic A relay team, as a result of his tremendous performance at the third annual Klondike relays held Saturday. The event attracted track competitors from British Columbia and Saskatchewan, and throughout Alberta.

His time of 6.4 seconds in the bantam boys 50-metre event shaved two tenths of a second off the previous Alberta mark. In the 200-metre event he led the field of eight runners, all of whom beat the previous record. Sean's time of 28.0 seconds

was two and nine-tenths seconds better than the provincial record.

In the 4 x 100 and the 4 x 200 metre relays he assisted his team to establish new provincial records. Last month Kehoe scored two second placings in the Canadian junior championships held in Kinsmen Field House. The 13-year-old athlete also won the shot put and the long jump field events at the Saskatchewan Indoor Championships held earlier in Saskatoon.

Sean catches a bus right after school to get into the Field House for practice some three times a week,

Local Soccer League

Weather permitting all local soccer leagues will start the season on Monday May 1st. At the same time we shall also have daylight saving time in effect so kick-off times have been scheduled at 6:45 p.m. for the mites and atom and 8 p.m. for the peewee and bantams.

All games have been scheduled from Mondays to Thursdays inclusive and each team will play twice a week.

Last Friday evening the 1971 Canadian Bantam champions - Killarney beat the St. Albert Sabres 4 - 2 in an exhibition game on the Grandin field. Despite a light rain and rather cool temperatures, both teams played aggressively but Killarney showed that little extra determination which is the hallmark of champions.

The rest of the weekend games were cancelled because of snow.

Due to additional registrations the peewee league has been expanded to six teams. As a result of this we are looking for three more dads to assist with these 11 to 12 year old boys teams. Contact Ken Armstrong 599-8081.

For those who would like to participate, but are somewhat reluctant because of little or no soccer experience, the game has very simple rules.

Except for the goalkeeper a player is not allowed to use his arms or hands to control the ball. He may only use his head, trunk legs and feet.

Except for a permissible shoulder to shoulder contact, providing the opponent is controlling the ball, no bodily contact is allowed. The object is for a team to control the ball in such a manner that they score more goals than their opponents.

and in addition works out in his school gym. And he plays football in the Wellington district as well.

His coach Ted Kowalchuk is looking forward to a great future for Sean in Track and Field, but Sean's first love at the moment is football.

Ted is hopeful of getting a track and field club going in St. Albert next winter, and reports that the town has some outstanding coaching material. Mr. Kowalchuk may be reached at 599-7900 by anyone interested.

Wade Katzarzyk, high scorer for the Mite "Hawks" with Lawrence and Mel Wakefield his coaches. Occasion was the wind-up supper for the two teams sponsored by the St. Albert Community League.

Swimming Schedule Outlined

An advertisement in this issue contains information about admission fees to the pool which is scheduled to open on Saturday, May 20 and which normally closes around the middle of September.

The schedule of activities will be published shortly and basically it will be the same as in previous years. New residents may be interested to know that every endeavour is made to accommodate as many different age groups and categories as possible. There are therefore public, teen, adult and family sessions included in the "curriculum" which is always subject to adjustment, depending on attendance, etc. and something new is often added. For instance, in 1971 an hour was set aside on Sunday evenings for people with scuba equipment which, of course, they were unable to use in the pool at any other time. The recently appointed pool supervisor, Rob McPhee, has mentioned a "Kiddies Korner" on Saturday mornings which was very popular in Camrose where he has supervised the pool for the last two years; a similar session may be added to our schedule here.

As St. Albert is very much a family town, there are at least four family sessions scheduled each week during July and August and usually two each week during June.

These sessions have proved very acceptable — especially to families where there are children too small or too young to swim during public swimming or where children are just a little apprehensive of the water.

During school hours the pool is available to the schools under the terms of the Joint Use Agreement between the town and the two school districts, and the policy adopted by the school boards when the pool opened in 1967 allows all Grade Two students to have the opportunity to learn to swim. This policy and the regular Red Cross and RLSS classes means there is little excuse for anyone in St. Albert not being completely at home in the water! The regular Red Cross classes run in two-week sessions — eight altogether are held during the summer. All levels of instruction for all ages are offered, from adults down to pre-schoolers who learn with their mums and dads.

The foregoing outline is intended to acquaint newcomers especially with what to expect from the pool schedule. It has evolved over the years, is subject to change and additions but the aim is always to cater to as many people as possible.

The trouble with today's individualists is that they are getting harder and harder to tell apart.

Larry Murray to coach Saints

Rudy Scheibelhofer wishes to announce the appointment of Larry Murray as coach of the St. Albert-Willowbrook Saints Baseball Club. Mr. Murray will succeed Ed Howorko who has been transferred to Vancouver.

Larry was born in To-field, Alberta, where he played minor and junior baseball. In Edmonton he played nine years in the Alberta Major League and last year Larry played outfield and pitched with the Saints. Mr. Murray is 28 years old and lives in Londonderry, Edmonton.

(INCORPORATED 1904)

Town of St. Albert

Grosvenor Park Swimming Pool Admission Fees

SEASON TICKETS

	Town Residents	Non-Residents	Single Admissions
Family	\$36.00	\$45.00	
Adult	\$14.50	\$18.00	75 cents
Student (13 - 17)	\$12.00	\$15.00	35 cents
Child (12 & Under)	\$8.50	\$10.00	25 cents

The Swimming Pool is scheduled to open on May 20. Applications for season tickets are available at the Town Hall and when completed should be returned along with cash, money order or cheque (payable to the "Town of St. Albert").

Family season tickets may also be purchased by special arrangement through the water and sewer billing. Applications under these conditions must be received no later than May 19.

APPLICATIONS FOR ALL TICKETS REQUIRED FOR OPENING OF POOL MUST BE RECEIVED AT THE TOWN HALL NO LATER THAN 5 P.M. ON MAY 12.

For further information phone the Department of Parks and Recreation at 599-6601.

Casey Anderson, left, presented the Roger Comeau rink with the President's trophy, provided by Gateway Building Supplies, and established by Casey during his term as president, and the winner is established by mens club playoffs. At Roger's left are Ray Steile, Jim Steile and Jim Vermynek.

Hockey banquet held in Calahoo

By Liz McLeod

Friday, April 21 finally came so the young hockey players could have their father's join them at the wind-up hockey players banquet.

The young fellows and proud fathers enjoyed the evening thoroughly as did the hard working mothers who served the delicious meal to 85 guests and children.

The Junior Scorpions are Perry and Paul Kolesar, Rolfe and Norman Majeau, Barry Muellmen, Barry and Michael Schmermund, Sean Mayo, Kevin and Shane Quintal, Terry Toma, Russell and Buddy Letendre, Tim Whitchee, Dale Ross, Randy Karakontl and Dale Labonte. On the Mighty Miles team Travis Patrick, Donnie Fowler, Shane Quintal, Lorne Labonte, Shawn Muellmen, Norman Majeau, Sydney Karakontl, Bronco Letendre, Lyle Quintal, Grant and Mark Berube, Francis Siboluski, Henry and Dale Eddiez and Tim Whitchee all enjoyed bingo.

Barry Muellmen won the hockey stick donated and autographed by the Edmonton Oil Kings, and Dale Toma won the pair of hockey gloves donated by the Senior Scorpions.

Raffle winners were Ronnie Quintal a radio, and Sheila Patrick a rod and reel.

The guest speaker Glenn Hall, was unable to attend.

The Calahoo Sports Association who sponsored this banquet are pleased to be able to show a movie in the church basement on May 5 and to further entertain our youth in the Gazebo the same evening.

Mrs. Roland Martel of 18 Mount Royal Drive was the happy winner of the portable television set given away as one of the major prizes during Maceled's three-day opening celebration. At left is Maceled's appliance salesman Nick Muzichuk while at right is store manager Jack Pickett.

See new Canadiana now at the library

Canadian books are currently receiving special attention by the Library Board, who have ordered some 250 new adult books for this section. Shipments of these volumes are beginning to arrive, and you will find the following at St. Albert Library now:

'Breaking Smith's Quarter Horse' by Paul St. Pierre set in the B.C. Chilcotles Plateau region, was made into a movie which won the Canadian Film Award for best film entertainment in 1965. A tale of life on the great plains in the early 1870's is 'The Wolfers' by

William Pfeiffer.

'Them Damn Canadians Hanged Louis Riel' by James McNameer. Patrick Slater's 'Yellow Bler' and 'Mixture of Fraillies' by Robertson Davies, are now available. Books by Roch Carrier translated in English from the original French are - 'Floride Where Are You?' and 'La Guerre, Yes Sir' are also new on the Canadiana shelves.

The library is open from 3 - 9 p.m. weekdays and from 10 - 5 on Saturday.

Larose couple honored at Silver anniversary

By Lucienne Montpetit

Mr. and Mrs. Wilfred Larose were the recipients of heartfelt congratulations and best wishes when they were guests of honor on the occasion of their 25th wedding anniversary.

To celebrate their anniversary the couple attended mass celebrated by Father Teller, followed by a social evening and a mid-night buffet held at the community hall which was beautifully decorated with blue birds, forget-me-nots and wedding bells.

The front of the hall featured two family trees. One the Fortunat Larose family the other the Leon Prefontaine family. Each flower represented a member of the families. The Larose boasts 16 children while the Prefontaines' six children.

Receiving the guests was Mrs. Madeleine St. Jean. Mrs. Larose was elegant in her floor length gown featuring a white nylon fluted bodice with a ruffled edged in black accenting the V-neckline and the long sleeves. Her A-line skirt of

black french crepe fell gently from her empire waist. She wore red roses on corsage.

Their bridesmaids and best men of 25 years ago Mrs. Fernande Van DeWalle, Lionel Larose, and Mr. and Mrs. Philippe Prefontaine, accompanied the couple.

Master of ceremonies was their son Lucien who welcomed the guests and congratulating his parents stating that memories of this happy day must mean a lot to you as you recall the years you've known, with their laughter and their tears.

The toast to the couple was given by Mr. Albreda Fortier. He congratulated them and mentioned it was a wonderful occasion they were celebrating and that all their friends and relatives were proud and glad to share it. He also recalled a number of incidents that happened in that quarter of a century of their married life.

Their daughter Rita ventured two appropriate selections she had composed for the occasion.

Ronald St. Jean, their son-in-law thanked everyone on behalf of the family.

Mr. and Mrs. Larose were married on April 14, 1947 in the Chapel of the Sacred Heart Convent because the church was destroyed by fire previous to their wedding. They lived in Legal for five years, then in Edmonton for seven years, in Hinton one year and they have been residing in Legal for the past 12 years. They have always been active members of the community, devoting much of their time to help out in local organizations and projects.

Through these 25 years they have been blessed with four children - Madeleine, Lucien, Rita, Emile. It was also a happy occasion for Mr. and Mrs. Leon Prefontaine parents of Mrs. Larose who celebrated their 47th anniversary on the same day.

AROUND TOWN

Sheryl Clelland of Gaylord Place plans to study design and stage crafts in the technical theatre course at the Banff School of Fine Arts over six weeks this summer. Having completed her grade 12, Sheryl is presently taking French 30 and performing arts 12/22 course at Victoria Composite high school. Technical theatre is a special area of interest for Sheryl, particularly television, and she is hopeful the summer course will help her decide on what further training she might take in this field.

Bon Accord Art Show draws capacity crowd

When the Bon Accord Community Art Club were presenting their first annual display of paintings, they decided to include crafts of all kinds from the village and surrounding districts. The result was an astonishingly large and varied display of arts and craft which was most interesting to examine.

Each of the 13 members of the adult art club were given numbers on the program handed out to the public, so that their paintings could be readily identified.

Professor H. Woolfarth of the extension department, University of Alberta was on hand and spoke to the large crowd at the Bon Accord community hall. He said that the display compared favorably with others he had evaluated after a similar period of time. The club has completed two sessions of 10 lessons each under instruction Lillian Loken and Marlene Kalinowsky of the department of extension. Mr. Woolfarth also stressed the importance of drawing for people taking the courses.

Paintings were displayed several deep on two walls of the centre, with crafts

taking up most of the third wall and two long tables, leaving about half the hall available for tea tables.

Viewing the paintings of a great number of subjects, it was hard to believe that so many fine pieces had been accomplished by a small group who were formed only a little more than a year ago, and had had only 10 lessons. The club uses the art room at the school for working.

Crafts include some fascinating metal sculpture, resin craft, macramé (including some fine pieces done by local brownies), tatting, crochet and other forms of needlecraft, leather work and hairleir, pressed flower stationery, wool craft, copper tooling, an interesting plaque of a rooster done by pounding nails into a board cut in that shape, lapidary work, a tanned gasket - a truly remarkable variety of good work. Of special interest to many were the Ukrainian embroidery and decorated Easter eggs. A classic example of recycling of waste material was shown

Vimy 4H club holds big achievement night

By Beverly Brown

On April 21 the Vimy school gym was beautifully decorated by the club mothers. The stage was surrounded with a low fence decorated with flowers and an archway decorated in green and gold. Across the front a roll of dolls in their different costumes which brought out the theme for fashion show "Spring with Fashions." A large spring mural painted by Delores and Pauline Bernard added to the decorations.

Mistress of Ceremonies were Miss Lorraine Parent and Roberta Brown, and pianist was Mrs. Paul Root. Shirley Bernard and Darcy Didier opened the program by describing the 4H emblem and then leading everyone in

by the conversion of empty plastic bottles into charming and useful tote bags by Mrs. Muriel McCue.

Two paintings and a lovely sculpture by Mrs. Edith Elchmer, Gibbons, had a place of honour, complementing the showing by amateurs.

Downstairs in the hall visitors were able to see some excellent slides of Europe, finishing off an entertaining afternoon.

the 4H pledge. The leader and assistant leaders were presented with a gift on behalf of the club for their help throughout the year. Also a corsage was presented to Mrs. E. Brown by Mrs. Blanchette.

The advisory committee was introduced and Beverly Brown gave the activity report. Demonstrations on overcast seam finish, flat felled seam, mitred corners and unlined patched pockets were given by first year members. Senior members gave a demonstration on wardrobe planning and different ways of changing accessories of outfits. As they modelled their long dresses they danced to the graduation dance. The unit 1 members had a cute little skit on how 4Hers pop out of nowhere.

The judges were unable to attend, so Jackie Blanchette read the comments they left. The comments were that the work was neat, clean and well pressed. They were very impressed with the knitting, smocking and the project books, and wished that other clothing clubs could see the work that could be done by first year sewers.

The commentator for the evening was Mrs. Doug Brown. A parade of handicrafts made by Unit 1 included cushions, wall hangings, tote bags and headscarfs, slippers and knitted hat and scarf. Year one members modelled their dresses and showed aprons. The last item was that of the senior members who

showed a skirt, housecoat, nightgown and slippers.

Awards were presented as follows: Public speaking trophies were awarded to the senior, junior and the Unit 1 members. Donors were the Christian Ladies of Vimy, Poloway Fertilizers Limited, Plearville, Mr. Tom Foster of the Co-op Insurance, Westlock, R. Lanouette Insurance, Vimy; Legal Savings and Credit Union, Legal; Edgars Drugs, Westlock; UFA Co-op. All the 4H members received a 4H pin and a minor award.

These were donated by Mr. and Mrs. Robert Sabourin and Mrs. Didier, A & M Store, Legal Co-op, Clivic Tire, Westlock Veterinary Clinic and the Westlock Hatchery and Mrs. E. Brown. Efficiency winners were Roberta Brown and Mr. Bob Hicks presented her with the A. Miller Farm Equipment Trophy. Runner-up was Bev Brown and she will receive the T. Eaton award.

Lorraine Parent is club

week delegate. The top project winner was Rita Bilodeau with 69 points and Mr. Ford presented her with a trophy from the CIL in Westlock. Appreciation trophies were presented to our junior leaders for their leadership throughout the year by the Bank of Nova Scotia in Legal.

The evening was brought to a close by the singing of The Queen and a lovely lunch served by the mothers and the girls and prepared by the mothers.

The final meeting is to be held in the Vimy school on Wednesday, May 3 at 7:30. The club wishes to thank all the people who so kindly donated trophies and awards. Also the people who came and saw the first achievement night and made it a big success. Last but not least we would like to thank our leader Mrs. E. Brown and the assistant leaders Mrs. Vera Brown and Yvonne Blanchette for devoting their time to such a worthy cause.

MON. - SAT. --- 9:30 a.m. to 5:30 p.m.

After serving 50 years on Alberta Indian Missions, Brother Louis Henri Guilbert, OMI was made a Chevalier de l'Ordre du Merit. The French decoration was for distinguished service, presented by the Consul of France, Mr. Raymond Huleu of Edmonton. The missionary is now 87 years of age and enjoying his retirement at Foyer Grandin in St. Albert.

School Grounds Drainage

The Albert Lacombe school grounds took up a good part of the regular meeting of St. Albert's School District No. 3 board. The discussion centered around the drainage problems which exist on the grounds and the abundance of trees which grace the area.

After several alternatives were studied and recommendations were received, the board agreed to obtain professional advice from an engineering firm, possibly Walker, Newby & Associates Ltd. However, the board was unanimous in setting guide-

lines regarding a feasible drainage plan while saving the trees on the school grounds from destruction. Ultimately, the plan which will be adopted by the board, after a feasibility study has been submitted will be one which will be compatible with drainage contours, sewer lines in the area and keeping in mind the possibility of future expansions of the school. "But save the trees," is a pre-requisite with any of the plans adopted.

Superintendent V. Maloney reported that 34 applications had been received

RC Brother Awarded French Medal For 50 Years Service

Brother Louis Henri Guilbert, OMI of St. Albert was awarded the medal of Chevalier de l'Ordre National du Merit from the French Republic for 50 distinguished years spent working on Indian Missions in Alberta. The award was made at the Retreat House by Mr. Raymond Huleu, the French Consul stationed in Edmonton.

Brother Guilbert was born February 11, 1885 at Loup-Fougères de Mayenne, France. He studied at Pontmain from where he joined the Oblate of Mary Immaculate Order to become a missionary. In 1906 his superiors sent him to far-off Canada where he was destined to work on Indian Missions. His first posting brought him to the Saddle Lake Reserve, near St. Paul, Alberta where he remained until 1916.

From Saddle Lake, Bro-

ther Guilbert was then posted to Hobbema where he worked on the Indian Mission there for the next 40 years. He distinguished himself not only as a man of God but also as a friend to the natives. Due to his energy and zeal, he devised an ingenious Cree alphabet and subsequently founded a monthly newspaper, published entirely in the Cree language and named it The Revue of the Sacred Heart. Despite his 87 years, Brother Guilbert enjoys his retirement at the Foyer Grandin here in St. Albert. He enjoys good health and his lucid memory permits him to reminisce with his colleagues who are also in retirement there.

But of all the retired clergymen residing at Foyer Grandin, Brother Guilbert is one of four who have been decorated by the French Re-

public and all these are native sons of France. The other French clergymen who have already received decorations are: Father Emile Pascale, 94 years old and the holder of the Chevalier

de la Legion d'Honneur; Father Jules Bideault, 88, Chevalier de l'Ordre National du Merit and Father Joseph Serruot, 72, Chevalier des Palmes Academ-

An Educational Facilities Charrette

The Problem

As a result of the rapid rate of growth in St. Albert over the past two years the Protestant Separate School Board finds itself in the position of planning two new elementary schools or one elementary and one elementary-junior high school to be operational probably for the 1973-74 school term.

There has been a growing recognition that educational facilities and programs should be totally enmeshed in the social, economic and physical vitality of the community. The public is asking that new schools be planned as community institutions serving adults as well as children, performing social and cultural as well as educational functions. The concepts underlying this approach are that physical integration of educational facilities into the total fabric of the community will result in maximum social and economic as well as environmental benefits for the community. If we are to improve the educational process we must integrate the total social system rather than just modify the schools.

This approach to the planning and function of educational facilities is particularly significant to the smaller communities such as St. Albert where existing facilities are limited and unnecessary duplication of facilities may be minimized with careful planning. This suggests however that educational facility planning must become part of an overall strategy for community development.

The traditional methods of new school planning frequently result in schools that serve neither education nor the community as well as they should. No school can fulfil its functions unless the life of the school and the life of the community are so actively and intensely interrelated that one is the extension of the other. The "educational facilities charrette" is a

unique planning process designed to create new educational complexes that serve as a focal point for community involvement in education.

Schools must be related to community resources and to the linkage system that connects the school to these resources. Curriculum must take advantage of the ongoing process of community life.

The Charrette

An "Educational Facilities Charrette" is a technique for studying and resolving educational facilities development problems within the context of the total community planning needs. The technique requires a majority representation of community residents as participants, and community leadership direction of a multidisciplinary group - educators; planners, architects, engineers, economists, psychologists, business representatives, local public officials and students - intensely studying community problems in open public forum to achieve creative solutions. Primary emphasis is given to educational facility and program as the natural catalyst for total community involvement. The principal purpose is to arrive at implementable plans and solutions to community problems in a compressed time period. The charrette is kept practical and viable through commitment of local resources which leads to a high probability of implementation of charrette solutions.

Advantages

There are several potential advantages derived from an Educational Facilities Charrette:

1. The distance and divisions between community and power structure, between school and community can be drastically reduced. Together they can produce a plan for community involvement that is creative, comprehensive, produces a shared environment of social, economic and physical linkages between school and community, and which commands the support of the community it is meant to serve.

2. (a) Through total involvement of all parties ideas, concepts, and value

Judgements can be confronted, tested and resolved in public forum;

(b) The enthusiasm and imagination of ordinary citizens can succeed in opening up possibilities the experts had not thought of or had not thought feasible - or uncovering ways of overcoming budgetary and political constraints that had simply been taken for granted.

3. With experts from different fields looking at the same problem and each adding his knowledge and experience to the evolving mix of ideas, better solutions would be forthcoming and the educational value to the participants would be enhanced.

4. The charrette generates effective economy

(a) Marshalls full use of resources already available - with a minimum of direct cash flow;

(b) Encourages long term community planning and coordination of facilities, thus avoiding unnecessary and costly duplications.

5. Charrette produces a high probability of demonstration that educational facilities are a natural catalyst for community involvement.

6. The charrette elicits community cohesion, support, confidence, and leadership in the direction of its future progress.

7. The charrette becomes an educational experience for each of the participants. Each individual or group comes to learn and understand much more about the other than either might otherwise have imagined

possible.

8. At every step along the way the work and progress is subjected to searching scrutiny from every angle; community acceptability, design feasibility, political possibility, education relevance, cost, etc. A plan emerges that meets both the urgent demands of the community and the unavoidable demands of reality.

The Committee

The formation of an effective charrette steering committee is probably the single most important step toward the creation of a successful charrette. The charrette approach to the formation of a steering committee is to openly promote an environment whereby interested community citizens will surface to form their own steering committee. This is accomplished through various methods of presenting and communicating the purpose of the charrette to the public. This communication to any and all community residents and community organizations is intended to produce an interest in and sufficiently strong commitment to the charrette approach. The steering committee is formed by community invitation of key private and public officials to participate. The steering committee consists of a majority of community residents plus representatives of public and private organizations directly involved with the community.

The steering committee

should be organized and ready to plan for the charrette well in advance. The steering committee has five basic tasks:

1. Ellicit incremental funds from provincial and local agencies;

2. Promote public relations in the community;

3. Conduct pre-charrette workshops to define "givens" of problem.

4. Select charrette participants and leadership core;

5. Provide background materials for a live-in, work-in, 24-hour facility for the charrette.

Two new wheat varieties licensed for W. Canada

The Alberta department of agriculture's cereal and oilseed crops specialist, Sherman Yolland, reports that two new wheat varieties have been licensed by the Canada department of agriculture.

One of these is a bearded, hard red spring wheat called Napayo. Although this variety compares favorably with Manitou in Eastern Saskatchewan and Manitoba, it is not being distributed to any growers in Alberta because it is slightly inferior to Neepawa.

The other newly licensed variety is a soft red spring wheat called Genlea. It is a very high yielding feed or utility wheat (averages 24 per cent higher than Neepawa) with a kernel that is about a third larger than that of Neepawa. It has good resistance to stem and leaf rust, common root rot, loose smut and head discoloration. It is officially described as maturing one or two days later than Neepawa. However, Alberta tests have

shown that it matures even later than that. In the Edmonton area, it matured four to five days later than Neepawa and at Beaverlodge it matured four to eight days later than Neepawa. In the Lethbridge area, its maturity was the same as that of Neepawa. In all regions it matured earlier than the feed wheat, Pitt 62.

Genlea is recommended for Alberta, but unfortunately only 50 bushels will be available in the province this year. These 50 bushels are being distributed on a merit system to select seed growers of wheat.

"Why is the bride so angry?"

"The society editor described her husband as a well-known collector of antiques!"

Breadwinner's complaint: "Three meals a day, a roof over my head, two cars, a boat, a power mower and a contented wife -- why shouldn't I be in debt?"

Skating

On Thin Niche

"Joyful chaos," reports an Ontario teacher, "resulted when our entire school of 250 pupils were skating at the local arena and another school of about the same size was prepared to leave as we were changing our skates."

"In the midst of the confusion sat a small grade one boy, his skates half on. Our cheerful, helpful grade seven teacher jumped in to rescue the child and in a jiffy the big hands had the tiny skates on, laced and tied."

"Then the little skater looked up and, with his eyes brimming, mumbled, 'But I was going home.'"

A small portion of the exhibition of paintings at the Bon Accord community Sunday afternoon. The occasion was the first Arts and crafts show sponsored by the Bon Accord Arts Club.

AROUND STURGEON

Additional funds have come in for Will and Chris following the Calahoo community benefit social held for the family April 14th, bringing the total to over \$3,000.00. In addition the ladies of the district held a household shower for Chris, which was attended by a large crowd and Chris received many useful and

attractive gifts. Dolly Maj-eau, Pauline Kolesar and Eleanor Reynolds organized the evening, and the women enjoyed a different kind of bingo, where each person called a number in rotation. Chris graciously thanked all present for their generosity and thoughtfulness. The Berube's have rented a trailer for the time being.

Calahoo W.I. goes visiting

By Liz McLeod

A most enjoyable afternoon was experienced when this correspondent took Constituency Convener Mrs.

LEGAL LOCALS

By Lucienne Montpetit
Wishing a speedy recovery to Mrs. Frank Prefontaine, Mrs. Eugene Coulombe and Mrs. Jules Larose who are hospitalized.

The Legal Local Brownies and Guides will hold their cookie sale on Saturday, May 6th from 9 a.m. to 12 noon.

The mothers will drive the girls to cover the country areas. Buy and enjoy these delicious cookies which will help out the girls at the same time.

A farewell party will be held in honor of Mr. and Mrs. Maurice Regimbal at the community hall on May 9th. Mr. and Mrs. Regimbal are moving to Slave Lake where he is employed. You'll enjoy dancing to the swinging music of the Satefites.

You can purchase your tickets from any of the elevator agents, Pete Van Brahan, Claude Maurier or Walter Van De Walle.

Everyone is welcome to attend and bid farewell to a man that was very active

Mary Dalheim for District 11, and Elsa Lischewski to attend the Wabamun WI meeting at Wabamun in the United Church. At this place in the community.

Mr. and Mrs. Normand Letourneau, Mr. and Mrs. Frank Rivard and Mr. and Mrs. Elroi Proulx motored to Falher last Saturday to attend Mr. and Mrs. Paul Coleman's golden wedding anniversary.

The playschool culmination concert will be held in the school gymnasium on April 27th at 8 p.m. Everyone is welcome.

The French Oratory contest was postponed to April 30th at 8 o'clock. We hope to see everyone at this year's gathering for the encouragement of the participants.

Mr. and Mrs. Etienne Roy from St. Fabian P.Q., were visiting with Mr. and Mrs. Georges Montpetit and Mr. and Mrs. Leon Prefontaine last week.

sant gathering Duffield and Darwell WIs were invited and slides were shown of the Adelaide Hordless Homesite, now preserved as a tourist attraction at Stony Creek, Ont.

This year is the 75th anniversary of Women's Institutes so Mrs. Dalheim is hoping each group in Dalhousie will do something to commemorate the event.

As an example groups in England erect a park bench for the public's use. Such projects should be something lasting and for all to use.

Last week it was Mrs. Dalheim's and my pleasure to visit Stony Plain WI and were invited for supper at Mrs. McGinn's, when 18 members gathered for a really relaxed meeting. Mary gave a very interesting and informative talk.

One of the convener's duties is to visit the 13 branches of District 11 before conference time. Conference this year will be on May 31st, with Wabamun and Duffield and Darwell institutes assisting.

By Liz McLeod

What with the warmer weather on its way, (we hope) one's thoughts turn to summer games like baseball. At least our enthusiastic youngsters are getting into the swing of things by having their first ball practice at Calahoo April 19. Being a real sports fan Myles Kerr was on hand for this practice session.

The father and son banquet goes on as scheduled April 21st for the hockey players and their fathers with the mother's serving. Should be a delightful affair.

A wedding of interest in Calahoo area took place on April 21st at Carrot River, Saskatchewan, when Norman Bergstrelser married Miss Judy Marlene Newman, Lloyd and Anita and Gordon and Gertrude Bergstrelser attended and all Norman's neighbors and friends wish them the very best.

Two young men in Calahoo have taken the marriage vows without any fanfare and congratulations are in order for Erwin Rothwellier and Donald Majeau and their brides.

Chris Zacharias spent an enjoyable weekend visiting with her sister in Saskatoon Saskatchewan recently. Jack and Chris are our congenial storekeepers.

Get well wishes go out to Mrs. Emma Rothwellier formerly of Green Willow, now living in the city who was rushed into Royal Alexandra hospital and has been in intensive care. Your neighbors and friends are hoping you will be well soon Emma.

Mrs. V. Betty Albrecht, had the misfortune to break one bone and crack another in her foot when she caught her foot on a root and fell while bringing the cows in for choring time.

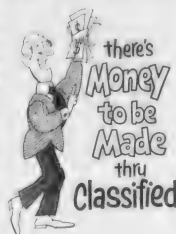

Mr. and Mrs. Gerald (Cactus) McDonald and Mr. and Mrs. Marcel Berry of

Calahoo News

Calahoo were among the friends and relatives who enjoyed Norman Bergstrelser's wedding April 21 at Carrot River, Saskatchewan. Lloyd and Anita and Gordon and Gertrude Bergstrelser also enjoyed the trip and their brother's wedding as did parents Herbert and Herta and Uncle Ed and Herta Bergstrelser.

Sharon McLeod and her mother will be winging their way April 25 to Los Angeles via Vancouver and San Francisco to visit cousins in Costa Mesa, California, to return on May 4th. Depart-

ure will be from the International Airport at Nisku.

As I See It

by ROSE MARTEL

On April 30 at 2 a.m. Alberta goes on daylight saving time with the rest of Canada. So, let everyone remember to . . . advance their clocks . . . one hour . . . before retiring Saturday evening or early Sunday morning, so as to be in step with the rest of the community and province.

This is the result of a plebiscite taken at the provincial election, August 30, 1971. Results showed a clear cut majority of over 70 per cent. The present legislative body took the necessary steps to make the wishes of the majority effective for the coming summer months. This means that everyone in Alberta, along with other Canadians, will enjoy one more hour of daylight until the last day of October.

The students will be able to enjoy the cool of morning in classrooms, during the weeks of hot weather. They will also be able to enjoy the longer daylight hours before retiring.

For the farmer it means another story, but, with automation, and modern facilities I sincerely believe that the cows won't mind being milked at 5 a.m. instead of 6 p.m. The real problem, may be felt next

fall, during harvest, when there is heavy dew in the morning hours, and the combines cannot get into the fields until noon and 6 p.m. comes early.

Progress has its price, like everything else in this world, and so, after many years of waiting, the traveler, the sportsman and the golf enthusiasts as well as the gardener in Alberta will finally have that precious extra hour.

As the holiday season begins, let us all count our blessings as Canadians to have such a large beautiful country to explore and visit from coast to coast.

Before deciding to spend time and money elsewhere why not see what our beautiful Alberta has to offer?

MD will assist farmers in weed control program

The Council of the Municipal District of Sturgeon through the Agricultural Service Board has a program to assist farmers to purchase weed control chemicals. The purpose of the program is to assist farmers to control wild oats and the hard to control weeds. Wild oats is one of the worst weeds that we have and the cost to control them is quite high. By assisting farmers to purchase chemicals to control wild oats and other hard to control weeds, farmers will be able to afford to use chemical control to a larger degree. The benefits derived from this program will far out-weight the cost.

The MD will pay half of the cost of chemicals up to \$250 MD share per farm operator. All chemicals will have to be purchased through the Service Board office at Morinville. Farmers must own land in the MD and assis-

tance will only be supplied to land within the boundaries of the MD.

Farmers who wish to take advantage of this program should make their wishes known to the Fieldman as soon as possible. We have a supply of avadex in store and this can be purchased now. This program will be run on a first come first served basis as we cannot

guarantee supply.

In order to obtain assistance for the purchase of weed chemicals, farmers must purchase the chemical recommended by the Fieldman.

There will be no refunds on purchases. For any further information contact the Fieldman at the MD office in Morinville.

Bon Accord boys in tournament

Members of the Bon Accord Volleyball Club participated in the Costa Chrysanthou Memorial Tournament on April 8 at Jasper Place High School. This tournament is held in memory of the man who coached the U of A Golden Bears Volleyball team from 1960 to 1970, and is sponsored by the U of A.

The players who took part were Dan Morris, Brian Irmen, Myles Langier, Dale Zinnick, Tim Ramstad, Kirk Carleton, Tom Carleton, and Ted Kijerski who unfortunately suffered an ankle injury in the early part of the tournament.

Although the boys did not come home victorious they enjoyed participating in a very fine tournament.

A Texan struck oil. With his new riches he built a mansion and three swimming pools, one filled with cool water, another with warm water and the third empty.

When asked why, he explains: "A lot of my friends can't swim."

RURAL RECREATION

By Carl Royan
DOG OBEDIENCE:

Interest has been expressed in the Coronado, Gibbons area in setting up dog obedience classes. The interested persons have informed me that a very competent instructor is available if there are enough people for this activity. The instructor would also travel to other districts with sufficient interest to support a class. A dog does not have to be a registered purebred to be taught obedience, and I anticipate a great amount of interest for such a class this summer. Contact me at 424-6276 or 256-3321 between 1 and 3 p.m. for more information.

BON ACCORD ARTS AND

CRAFTS DISPLAY:

I would like to congratulate the Bon Accord Community Art Club and the various craft clubs in Bon Accord on the quality shown in their work which was displayed on Sunday. It is very gratifying that work produced by local people in their leisure time.

PHYSICAL CULTURE: After attending the physical culture display at Ross Shepherd High School this weekend I can see a very bright future for this type of a keep-fit program. Any program that is enjoyed by persons from pre-school to senior citizen age has got

to be an activity that will grow in popularity. Our area was represented very well by Ann McPherson and the ladies from the Nampas Mothers' Take a Break class who did an excellent job of their demonstration. I hope to see more physical culture classes started next fall as there is ample opportunity for training instructors for this activity.

Denis Charest and Gigi Maurier married in Morinville

In a pretty afternoon spring wedding Miss Georgina Maurier became the bride of Mr. Denis Charest both of Morinville.

The double ring ceremony was performed by Rev. Father George Primeau on April 22 in St. John the Baptist RC church in Morinville.

Given in marriage by her chosen father, Mr. Arthur Krauskopf, the radiant bride chose a white model gown of nylon lace over taffeta, featuring a gathered waist, mandarin collar and long cuffed sleeves with a tiered skirt. Her shoulder length net veil was also lace edged and held in place by a crown headpiece. She carried a bouquet of yellow roses and white daisies.

Four attendants and flower-girl were identical gowns of yellow sheer over taffeta, with short puffed sleeves and low necklines, trimmed with green velvet sashes and complemented by white accessories. Each carried miniature bouquets of white shasta daisies. Miss Pauline Krauskopf was bridesmaid and other attendants were Mrs. Patricia Masly, Miss Stella Boissonault and Miss Sylvia

Krauskopf of Edmonton. The flower girl was Miss Maurine Krauskopf.

The best man was George Wiley. Other groom attendants were Davis Masly, Robert Lepage and Paul Krauskopf. Kevin Morgan of St. Albert was ringbearer.

Following the ceremony a reception and banquet was held at Morinville Centre for some 90 guests with Mr. Charles Krauskopf as master of ceremonies.

For her chosendaughter's wedding Mrs. Arthur Krauskopf chose a mauve ensemble with silver accessories and yellow roses on corsage.

Mr. and Mrs. Eugene Charest of Morinville participated of the groom, also welcomed their guests. Mrs. Charest wore a full length gown of purple sheer over taffeta with white accessories and yellow roses on corsage.

The bride changed into a blue hot pants ensemble for her going away outfit. Mr. and Mrs. Charest will reside in St. Albert.

Bon Accord growing at healthy rate

Village residents will be pleased to know that Mr. A. J. Jenkins, the village secretary, returned to work on March 29 following an absence of three weeks, part of the time being spent in the Sturgeon General Hospital, Commencing April 1st Mrs. Walter Chubb was hired as secretarial assistant in the village office. In recent months the work load has increased considerably and in view of the forthcoming village expansion a very busy summer is expected. Effective immediately, office hours will be as follows:— Monday through Friday, 8:30 - 12 noon, Saturday 9 - 12 noon. At the April 17 meeting of council Mrs. Chubb was appointed village publicity agent and will endeavour to keep residents informed about village business and report on highlights from the minutes. The annual meeting held on March 10 was fairly well attended and has gone on record as having been one of the most successful annual meetings since the village was organized in 1964. Many of the items brought

up for discussion and already received the attention of the council. Fire protection is receiving priority and some preliminary work has been done on cost of hydrants. House numbers and street signs have also been under discussion and it is expected that street signs will be erected in the near future. Oiling of streets as a dust control measure will be carried out again this year. The streets are being put in shape for this work at present.

NEW DEVELOPMENT - Hotel expansion is going ahead and 15 new homes in the village are now nearing completion. Approval has been received from the Local Authorities Board for the northeast subdivision and the tenders have been let to Western Hoe and Crane Ltd. Mario Homes are the developers. Seventy-three lots are to be developed on this site with a possibility of 50 homes being ready for occupancy by fall. The water storage reservoir is completed and in operation. Landscaping will be carried out as soon as conditions

permit.

A warm welcome is extended to the following families: Mr. and Mrs. Adam Franchuk; Mr. and Mrs. D.

Fussell; Mr. and Mrs. James Long; Mr. and Mrs. G. W. Graham; Mr. and Mrs. John Engman.

Morinville to hold Fashion Show

Summer fashions from Woodward's Westmount Store will be featured at the recreation centre, May 5th at 8 p.m. sponsored by the Morinville Christian Ladies. Net proceeds will support community projects.

Models from Morinville and district will show the ladies, men's, teen's and children's ensembles. Tickets are now on sale at various Morinville business places, and by members. Tickets will also be available at the door the evening of the show. Attractive door prizes will be drawn for, during the evening. Conveners are

Mrs. Solange Bachand, Mrs. Charlotte St. Germain and Mrs. Lil Boddez.

Skinkowys celebrate Golden Wedding

Mr. and Mrs. George Skinkowy of Morinville celebrated their golden wedding anniversary on April 21 in the company of their two daughters, Stella Audrey, sons-in-law Ernie St. Laurent and Emile Borie and their families of seven grandchildren and two great grandchildren. Some 300 friends gathered in the Morinville Centre for the occasion. The Skinkowys came to the community on May 1st 1930, and they are now retired, enjoying the friendship and company of many friends.

A nuptial mass was celebrated by Rev. Father G. H. Primeau who witnessed the renewal of their marriage vows and gave them a special blessing in St. John the Baptist Church in the presence of their family, grandchildren and a gathering of friends.

At the reception the couple

were greeted and received the good wishes of the large number of guests. The bride of 50 years ago was charming in a mauve satin brocade ensemble with a large eborium orchid on corsage and gold accessories.

For the buffet style supper the head table was laid in white linen and lace, centered with a tiered wedding cake beautifully decorated in white and gold, and flanked by tall tapered. Seated with Mr. and Mrs. Skinkowy were their attendants Mrs. Tillis McKenna, sister of the bride and her husband, Mr. Lawrence McKenna of Calgary. Mr. Arthur Demers accompanied by Mrs. Demers, brought greetings from the Morinville town council and the citizens of the district. Mr. Steve Chahley of Edmonton was master of ceremonies.

Chahley expressed good wishes to the celebrants on

behalf of all present, and presented them with a purse. The remainder of the evening was spent in dancing.

George Skinkowy was born in Austria in 1893 and his bride, Pauline, in 1907. Mr. Skinkowy arrived in Canada in 1908 and his future bride arrived in 1914. They were married in Edmonton on April 20, 1922 by Rev. Father J. G. Lodika, and lived in Chisholm, Alberta, for two years, then moved to Jarvis for a few months. Other homes were Namsa and Kilsyth, while Mr. Skinkowy was employee of the CNR and NAR.

They arrived in Morinville on May 1st, 1930, where Mr. Skinkowy became foreman of the track section gang. He retired in 1958, after 39 years of service with the Northern Alberta Railways. He was an active

member of the Brotherhood of Maintenance and Weigh Employees, and is presently a member of the NAR Pensioners.

Both are members of the Royal Canadian Legion Branch in Morinville, and enjoy many hobbies. Among them are gardening for Mr. Skinkowy and various sports. Mrs. Skinkowy enjoys knitting, crocheting and embroidering. Both are great card players.

George St. Laurent, eldest of the seven grandchildren, presented the grandparents with special gifts, and petite Gail Ricard with her brother Wesley presented great-grandma with a bouquet of flowers. Other grandchildren present were Edvard and Pauline St. Laurent, Mrs. Darlene Ricard (nee Borie) Robert, Patricia and Charlotte Borie.

MORINVILLE

Gibbons

By Gladys Morin

On April 17, the regular monthly meeting of the Gibbons Community Centre was held in the hall. Guests present were members of the recreation board, Katie Mabbutt, Ronnie Coley, Pat Sprague and Ken Wood.

The recreation board and the community centre will be putting on July 1st and 2nd Sportsday together. There was a discussion on the two day affair. Also on repairs to be done on the ball diamonds. Preparations were made for the bake sale and tea during the April 22 art show.

On April 17, Louis Morin represented Gibbons at a girls softball meeting at Morinville. Age groups are 14 and under, 16 and under. Season will start May 7th ending June 17th. Each player must have her birth certificate, or health card number when registering. Two copies of schedules will be mailed to each coach. Bon Accord, Horse Hills, Namsa,

Legal, Gibbons and Morinville are the towns who will be in the league.

At a meeting in the Sunday school on April 18 of the Local Association of Brownies, Guides and Rangers plans were made for a mother and daughter banquet to be held on May 15. Mothers will donate the food. There will be a guide reunion marking 20 years of guiding in Gibbons on Sunday, June 4.

Cub news - Mothers and fathers please keep these dates in mind: May 28, Cuboree at Bon Accord and Cub Camp on June 23 weekend!

NAMAO NEWS

By Norma Crozier

Mr. and Mrs. Robert Stanton with sons Greg and Scott have returned home from an Easter vacation in Hawaii.

Namoo Buttons and Bows 4H Clothing Club will hold their Achievement Night in the community hall on Monday, May 1st at 8 p.m. The girls have chosen a circus theme this year and invite everyone to attend. There will be a talent show, a fashion show and displays of their year's achievements. Lunch will be served.

On Wednesday, April 19 the Namoo Haplette Club hosted a shower in the community hall for Louise Huber, oldest daughter of Mr. and Mrs. Leo Huber. Louise will be married on April 29 to Douglas Scott, a member of Canadian Forces Communications Command. After the wedding they will be living in Gander, Newfoundland.

Lancaster Park Curling Club held its end of the year wind-up party on Friday, April 21st. Congratulations to mens club winners the Fraser rink, club champions, Art Halland rink the winner of "B" section, Bud Crozier rink winner of "C" section and the Ed Smith rink winner of "D" section.

Fire Department praised by resident

Blackie Quintal of Calahoo reports that the St. Albert Fire Department were on the scene in an incredibly short time after an alarm was turned in on Friday morning at approximately 9 a.m.

The fire broke out on a mobile home in the town, and there was danger of a

Ladies club championship was won by the Hazel Langman rink and the aggregate winner was the Arlene Crozier rink. A presentation was made to Ivan Wood, secretary manager since the club was formed, the gift was accepted by his wife as "Woody" is seriously ill in the Royal Alexandra Hospital. A gala evening of dancing and good food ended another year of good curling.

Namoo UCW met at the home of Mrs. Bud Horrocks on Wednesday, April 19 for their spring luncheon. The group is studying the African Mission Pact and Africa was the theme of the luncheon. Many members were dressed in costume of the country and the menu was African food. Guest speaker, Miss Diane North who taught nursing and nursed in Nigeria, Africa, for seven years was enjoyed by all.

Namoo Local of Uniform held their April meeting at the home of Mr. and Mrs. Reg Crozier. Guest speaker was Mr. Clyde Strong, who spoke on insurance. The next meeting will be held on May 4th at the home of Mr. and Mrs. Harold Clark Jr. Guest will be RCMP. Everyone welcome.

neighboring trailer also being burned. The prompt and efficient action by the fire department was highly commended, said Mr. Quintal.

The mobile home of Randy Quintal was completely gutted, as the fire spread quickly from a point above the kitchen cupboards, but fortunately people on the scene were able to save quite a lot of furnishings, and the trailer was also covered by insurance. The couple's small son was in hospital at the time, which under the circumstances was a good thing.

Randy and his family have moved in with his dad until they can make arrangements to replace their mobile home.

The trailer fire was the second of the month in Calahoo. Wilfred Berube lost his in an April 6th fire.

By Rose Martel

On May 1st the Board of Trade will hold the regular monthly supper meeting at 7 p.m. sharp in the Legion Hall. All members are invited to attend and visitors are welcome. An interesting agenda has been prepared by the executive.

A disastrous fire on Sunday completely destroyed a large new hen house, fully automated, with 8,000 chickens at the Hutterite Colony. The Morinville Fire Brigade responded, but the entire building was leveled by the time they got there. However they prevented further damage to other buildings in the new colony established in January 1971. Mr. Jake Wurtz, elder of the colony was not available to give an estimate of the total damage at press time, however it is believed the loss will be several thousands of dollars in materials and fixtures alone, plus the value of the stock.

Mr. and Mrs. Thomas Houle managed to keep ahead of the vicious snowstorm last Saturday evening as they motored to Spirit Wood, Saskatchewan, to attend a double silver anniversary in the family of Mrs. Houle. Mr. and Mrs. Paul Frechette of Leo Ville, Saskatchewan, also celebrated a silver anniversary all joined together for a double family celebration.

On May 12th the MYR are planning a big night in the recreation centre with a top rock band "The Sage." So the teens and young folks of the district, will have the opportunity to hear a first class rock band in Morinville.

Among those reported in hospital this past week were Roland Lambert, Matt and Melvin Hittinger, George Shayes, Alice Nadeau, Anne Maslyk, Phyllis De Tennant.

M. D. of Sturgeon No. 90 TENDERS

Tenders will be received by the undersigned up to 4:30 p.m., May 3, 1972 to load, haul and spread gravel on any roads designated by council. 50,000 or more tons of 3/4" crushed gravel from Consolidated Concrete Company Gravel Pit, located north of Villeneuve in the southwest quarter of Section 20-54-26-4. Graveling to be performed during the road construction.

For further particulars contact Robert W. Stack, Superintendent of Public Works - Phone 424-6276.

The municipality reserves the right to accept or reject any tender and waive all tendering procedures if it is the best interest of its ratepayers. A Bid Bond or Certified Cheque of (\$1,000), one thousand dollars, must accompany the tender. The Bid Bond or Certified Cheque will be returned to unsuccessful tender. The successful tenderer upon acceptance of the contract must provide to the M.D. of Sturgeon #90 a material and labour bond in the amount of (\$20,000), twenty thousand dollars and said material and labour bond will be returned thirty days after completion of contract.

Alphonse Nobert,
Secretary-Treasurer,
Municipal District of Sturgeon #90,
Morinville, Alberta.

MORINVILLE MEMOS

Muller who now resides in Edmonton.

Miss Marlene Victor of Calahoo and Wayne Brennes, son of Mr. and Mrs. Leo Brennes were guests of honor at a pre-wedding social held in the Legion Hall last Saturday.

Prior to their wedding last Saturday, Miss Gligi Maurrier was entertained at a bridal shower in the Legion Hall with Mrs. Leonie Tailleure, Miss Barbara Tailleure and Miss Helen Witter of Edmonton as hostesses. Seated at the head table was Miss Maurrier, her chosen mother, Mrs. Jeannette Krausopf, Mrs. Leonie Tailleure, and Miss Barbara Tailleure, who presented the guest of honor with an assortment of beautiful gifts on behalf of all the 45 ladies present. Mrs. Rita Charest, mother of the groom to be was also a head table guest. Mr. Denis Charest was guest of honor at a stag party at the home of Mr. David Maslyk on the same night. He was presented with a purse on behalf of all his friends present.

It was with deep and profound regrets that the people of Morinville were informed last Sunday that the Rev. Sisters Lucanna, Joanne and Sister Cecile will be leaving in June. They are the last three remaining members of the order of "Les Filles de Jesus" who arrived in Morinville from France in 1904 to begin teaching in the town.

The question is asked, since we predicted the last snowstorm, if we are going to have any spring weather, or more snow. According to

There was a Kobascaasting contest held at the Morinville Auction Mart last week sponsored by the Moulin Farm Equipment Ltd. The winner was Fern and Deschamps of Legal. Among those taking part from Morinville were Octave Sr. and Octave Jr. Himschoot, Ernie Wourit and Pete Girard.

Paul Stanley purchased the farm of Mrs. Gertrude

our source of information, keep your winter clothes handy, you will need them again, before you can plant your potatoes and radishes.

Some 13 Lions and their ladies travelled to Westlock last Saturday, to attend the Westlock Lions Charter Night. Morinville Lions will hold their charter night and Lion Zone social on May 6 in the Morinville Centre.

Gibbons - Bon Accord hold joint achievement day

By Gladys Morin

The Gibbons and Bon Accord 4H Clothing Club held a joint Achievement Day, April 15 at Gibbons Hall. Judges for the event were Mrs. Norma Clark Nammo and Miss Mary Borle of Villeneuve.

Chairman for the afternoon were presidents Debbie Demers of the Gibbons Club and Marsha Rigney of Bon Accord Club.

Included in the afternoon program were a sing song led by Debra Uehacz and Lori Pawluk of Bon Accord, and songs entitled "500 Miles" by the senior girls of Gibbons - Judi Demers, Debbie Demers, Debbie Reader, Janet Demers, Wendy Watt and Shannon Mabbutt.

The junior girls of Gibbons - Pamela Omushko, Valerie Boettger, Kim Mabbutt, and Darcy Mabbutt sang "I'd Like to Teach the World." Florence McKay and Janine Lampkin of the Bon Accord Club demonstrated "Table Settings." The Club Week Delegate of last year, Judi Demers of Gibbons, gave a report of the activities she took part in. Lydia Uehacz last year's Camp He-Ho-Ha delegate from Bon Accord, reported her activities.

"Modelling" of sewing projects concluded the program. Commentating from Bon Accord was Debra Uehacz. Members of the Bon Accord Club who completed their Achievement Day projects were:

jecks were:

Unit 1 - Janet Mulligan, Vivian Owens, Kim Reynolds, Cynthia Bojchko, Shanna Brennan.

First year - Lori Pawluk, Wendy Lewis, Dianne Mulligan, Gloria Skavronik.

Second year - Marsha Rigney, Janine Lampkin.

Third year - Lydia Uehacz, Florence McKay and Valerie Reynolds.

Fourth year - Debra Uehacz.

Commentator of the Gibbons Club was Judi Demers. Members of the club include: Unit 1 - Pamela Omushko, Janet Demers, Kim Mabbutt, Darcy Mabbutt, Valerie Boettger. First year - Wendy Watt; second year - Debbie Reader; third year - Judi Demers, Shannon Mabbutt, Debbie Demers.

Following the judges comments each president presented their leaders with a lovely gift. Leaders of the Bon Accord Club are Mrs. Dorothy Rigney and Mrs. Debra Uehacz, and for the Gibbons Club, Mrs. Leona Petherbridge and Mrs. Irene Stirling.

The leaders announced the awards of each club.

Bon Accord: Project books, Unit 1 - Cynthia Bojchko; first year - Lori Pawluk; second year - Marsha Rigney.

Best seamstress: Lydia Uehacz; top points on Achievement Day - Marsha Rigney; Club Week Delegate - Florence McKay; Camp He-Ho-Ha Delegate - Lori Pawluk. Beginners of the club received 4H club pins.

The remaining girls received spoons. The pins and spoons are supplied from the club while the remaining trophies are donated by various businessmen of Bon Accord. The public speaking trophies were also presented to the girls. In the junior level, the placings were: first - Lori Pawluk; second - Janine Lampkin. Congratulations go to Lori also on her first place placing at County Junior level held at Riviere Qui Barre on April 14th. Senior level placings were: first - Debra Uehacz; second - Florence McKay.

Awards presented in the Gibbons Club were: senior public speaking, first - Debbie Reader, presented by Mr. Wilf Oliver of the Gib-

bons Lions Club; second - Debbie Demers presented by Mr. Wilf Oliver of the Lions Club; junior public speaking, first - Janet Demers presented by Mrs. Elaine Kerr of Bill Kerr Welding; second - Kim Mabbutt, presented by Mrs. Kerr of Bill Kerr Welding; junior seamstress - Pamela Omushko, donated by Konsorato General store; senior seamstress - Debbie Demers, donated by Norman Knott; junior display - Janet Demers, donated by Begalke's Store; senior - Debbie Demers, donated by Hogg Gulf Service; junior project book - Pamela Omushko, donated by the Women's Auxiliary of Gibbons; senior - Debbie Reader, donated by Morin's Grocerette. Miss Congeniality - Judi Demers donated by the Gibbons 4H Clothing.

Overall points on Achievement Day - Pamela Omushko, presented by Mr. Clay Schanling, manager Royal Bank of Gibbons; Camp He-Ho-Ha - Janet Demers, donated by Nan and Keith's Better Meats; Club Week Delegate - Debbie Reader donated by Nan and Keith's Better Meats; Efficiency Winner - Debbie Reader presented by Mrs. Gladys Morin of the Gibbons Community Centre.

Spoons, donated by the Village of Gibbons, were presented to each of the 4H members and leaders of the Gibbons Club.

The Bon Accord and Gibbons 4H Clothing Clubs wish to congratulate their members, to thank the many donors and especially extend a "big" thank you to all those who attended the Achievement to make it the best ever.

Sign in a nudist camp: "Open day and night -- we never clothe."

BON ACCORD

By Sadie Allen

Congratulations to Mr. and Mrs. Harry Fungally on the occasion of their 61st wedding anniversary on April 20th.

The 4H Light Horse Club will sponsor a teen dance on May 5 in the community centre. Music by Paye.

A miscellaneous shower for Mrs. Dave Brennan, nee Glenna Chubb, will be held in the clubroom on May 3 at 8 p.m. Ladies are requested to bring lunch. A small collection will be taken to defray the clubroom rental.

A riding meet will be held at Sharon Davis' on Sunday, May 7, starting at 1 p.m. for members of the 4H Light Horse Club.

Friday, April 26 is the day to get rid of all those things you no longer use. Cups, guides and brownies are holding their rummage sale in the afternoon and evening and will appreciate your donations and patronage.

Have you registered for baseball and softball? Deadline is May 1st. Any young people interested may register with Doreen Hewitt.

Cadet Squadron 524 report a most successful Pie Shoot

on April 16 - Sharpshooter of the day was Harold Henderson. One hundred and forty donors turned out to the Red Cross Clinic held on April 20. The Cadet civilian committee wish to thank the donors and all those who helped in any way with the clinic.

John Engman has taken over the position of Wheat Pool agent which was formerly held by John Holdis.

Peewee hockey coaches Jim Draper and Don McKay treated their hockey players to supper at the home of Don McKay on Sunday, May 23. The same two coaches will look after the peewee baseball club this summer.

Al Barnes, leader who supervised the 3rd St. Albert Scouts project 'Birdhouse' was impressed with the only ceramic one done, and decided it would be given a good home at 59 Gordon Crescent. He presented the unusual birdhouse, done at the St. Albert Arts and Crafts centre, to Mayor Ray Gibbon in his office Monday afternoon.

Father Lacombe Museum

"Artifacts should be used to tell a story; they should not be merely displayed," directors of modern museums advise.

This approach is being used in the Lacombe Museum as it depicts the founding of St. Albert.

Supervised by museum directors and the curator, the history of St. Albert will be presented in eight progressive chapters. Each chapter will be contained in a separate cabinet. Beginning from the early 19th century, the story will move to the early 20th century.

The first chapter, or cabinet, the museum visitor will view, will show Alberta as the Indians knew it. Mrs. Arlene Borgstede, who has done the research for this cabinet, has prepared a map showing the geographical features of Alberta and the territories of the native Indians.

Mrs. Borgstede notes that the coming of traders, technology and disease disrupted the Indian way of life.

Desiring to help the western Indians bridge the old and the new, she relates, Father Lacombe in Quebec requested assignment to the Far West.

"He arrived at Fort Edmonton in 1852. In the years that followed, he became both a protector and a me-

diator for the Indians. He lived with them, spoke their language, understood and loved them."

"He is our brother," said Chief Crowfoot of the Blackfeet."

The next cabinet deals with the Big Lake area (later St. Albert) after establishment of the trading post at Fort Edmonton. Mrs. Lucy Hermans and Mrs. Bridget O'Kell, chapter two researchers, are interviewing long time residents of St. Albert to obtain information. They would be pleased to hear from anyone with knowledge of this period.

Chapters three and four deal with Father Albert Lacombe and his achievements among them the founding of

St. Albert. Chapter three will be wholly devoted to this missionary of French-Canadian and Saulteaux heritage who was a leading figure in the history of St. Albert and Alberta. In addition to artifacts already in this display, some rare photographs are being made available by the Oblate archives.

A replica of Father Lacombe's study during his later days at Midnapore is being prepared for the museum by Mrs. Hermans.

Subsequent chapters in the story of St. Albert will be told through stories about Bishop Grandin, the Grey Nuns and the three Oblate tragedies. These will be described in a later issue.

By reciprocal agreement between the nations of Great Britain, the Philippines, India, Thailand, Malaya, Mexico, Switzerland and the United States of America, a domiciled Canadian in need of blood can receive it in any of these countries at no cost to himself.
